WORK EXPERIENCE

G&L Coastal Food Group (Manager)

2012–2023

Starting as a dishwasher I worked my way up through multiple positions, taking initiative in places where specific jobs need to be done. Through this job I've learned team management, scheduling, inventory management, pricing coordination and food costing. I've also developed necessary communication and leadership skills as well as gone through the process of hiring and firing employees.

SKILLS

Team Management
Typing (WPM: 120)
Meeting Deadlines
Communication
Quick and Eager Learner

Technologies:

- React
- MERN Development
- Javascript
- CSS
- HTML
- REGEX
- And More
